
Optional Summer Reading Log 2018

Use the log below to keep track of words read. You can find the word total for books by using www.arbookfind.com. Return the log to your teacher on the first day of school. All students that meet their summer goal will join us for a Back to School Reading Celebration and have a chance to win prizes!

Summer Goals:

Rising 4th and 5th graders-200,000 words

Rising 3rd graders-100,000 words

Rising 1st and 2nd graders- 50,000 words

Optional Incentive: For every read aloud book, the student's name will be entered into a drawing to receive a $25 gift card. Read Aloud=A book being read to a child for at least 30 minutes. The parents should discuss the content, vocabulary and ask "how?" and "why?" questions with the child. Often books that are above a child's reading level make good books to read aloud. If you have multiple children, we would encourage you to find a book that is in the middle range of your child's ages/grades. Then discuss the book as a family.
