

When you fund a CCA scholarship, you're giving the gift of education - at home, in the classroom, up on stage, on the field, and out in the world.

If you are in a position to help, we will gladly share 100% of your contributions to these scholarship funds with deserving CCA students. All scholarships are managed and awarded by CCA's Board of Directors.

When you're ready to give, there are two ways to donate:

1. Visit the Support CCA section of our website and donate through PayPal. Please indicate which scholarship you have chosen to fund.
2. Mail a check with your scholarship indicated in the memo to:

Scholarship Options

Classical Christian Academy values students seeking understanding and knowledge. We know our students learn in the classroom and through exposure to God's creation all around us. Our scholarships are funded through donations and are awarded to deserving students who demonstrate a personal desire to grow and learn. The scholarship amounts listed below reflect the costs our families may pay. Please know, gifts of any amount can be applied to the following scholarship options.

<p style="text-align: center;">Music and Art Scholarship \$200</p> <p>Classical education values and includes the arts. This scholarship covers the elective and/or specialized fees to participate in music and art courses at CCA. Your gracious support helps a CCA student round out his or her academic education. "Let us come before him with thanksgiving and extol him with music and song." Psalm 95:2.</p>	<p style="text-align: center;">Curriculum Scholarship \$400</p> <p>The Curriculum Scholarship blesses a family with the textbooks, and materials needed to start an education at CCA. "Hold onto instruction, do not let it go; guard it well, for it is your life." Proverbs 4:13. For many families, the timing of purchasing curriculum coincides with the first payment of tuition, and the added expense is too high of a burden on their personal finances. Your support helps a student get prepared for the school year.</p>	<p style="text-align: center;">Connections Scholarship \$2,200</p> <p>This full scholarship blesses a student in CCA's Connections Program so he/she may have fellowship with other Christian students. This student could take two core education classes, as well as three electives, each semester for one year. "We proclaim to you what we have seen and heard, so that you also may have fellowship with us. And our fellowship is with the Father and with his Son, Jesus Christ." 1 John 1:3.</p>
<p style="text-align: center;">P.E. Scholarship \$200</p> <p>"Do you not know that your bodies are temples of the Holy Spirit," Paul questions in 1 Corinthians 6:19. One way we can honor God is to maintain our physical health so we can do His will. This scholarship covers the elective and/or specialized fees enabling a student to participate in the unique and specialized physical education electives offered by CCA.</p>	<p style="text-align: center;">Field Trip Scholarship \$500</p> <p>"I applied my mind to study and to explore by wisdom all that is done under the heavens." Ecclesiastes 1:13. Each year CCA plans extended, overnight field trips that relate to the historical time period and/or science lessons studied in the students' course work. These trips are exciting and educational. This scholarship helps one student cover the costs associated with participating in the school's field trip experiences each year.</p>	<p style="text-align: center;">Hybrid Scholarship \$5,000</p> <p>This scholarship blesses a student in CCA's Hybrid Program. In Philemon 1:6, Paul says, "I pray that your partnership with us in the faith may be effective in deepening your understanding of every good thing we share for the sake of Christ." Your generous support of this scholarship shows God's sacrificial love to a student receiving a Christian education at Classical Christian Academy.</p>
<p style="text-align: center;">Athletic Scholarship \$200</p> <p>"Similarly, anyone who competes as an athlete does not receive the victor's crown except by competing according to the rules," 2 Timothy 2:5. We know our students get real-life lessons when they experience wins and losses as part of a team. This scholarship helps cover any insurance, equipment or registration fees, which may otherwise limit a student's ability to participate in CCA's competitive athletics program.</p>	<p style="text-align: center;">You Name It</p> <p>Would you like to have a scholarship named after you, a loved one, or your organization? We will gladly help you make this happen. You can set the amount, make it a one-time or reoccurring scholarship, and determine the eligibility criterion.</p> <p style="text-align: center;">Contact our Development Director to get started.</p>	<p style="text-align: center;">Multiple Child Scholarship \$5,000</p> <p>A student may apply for this full scholarship if they have at least one sibling attending CCA, with at least one of the siblings in the Hybrid Program. In Genesis 9:7 God says, "As for you, be fruitful and increase in number; multiply on the earth and increase upon it." For a family with more than one child, the cost of a private, Christian education can be prohibitive.</p> <p style="text-align: center;">Thank you for blessing a student of a CCA family.</p>
