Summer Reading Assignment & Log

Student's Name _____ 2018-19 Grade _____

All Upper School students are strongly encouraged to make reading a consistent summer activity. Middle school students are required to read a minimum of two grade-level-appropriate books. The attached Book List is full of books we recommend for content and quality. You may choose books other than those listed, but please look for titles that would be consistent in content and quality. Please use the log below to list the books you have selected and read, as well as any additional titles read during the summer. A **Dress Down pass** will be issued for each additional grade-level-appropriate book read, up to 5 books. **Assigned reading MUST be completed by the first day of school, and all Summer Reading Logs will be due August 15th (the first day of school). Logs will be turned in to your English teacher.**
