

FINANCIAL POLICY

ALL PROGRAMS

Enrollment: Enrollment and New Student Testing fees are nonrefundable and nontransferable. Parents acknowledge a present intent to enroll student upon acceptance and that CCA would incur a financial loss by the untimely withdrawal of student(s) after acceptance into the academic program. Upon notice of acceptance, student(s) shall be deemed to be enrolled in CCA for the 2019-2020 academic year.

Late Enrollment: When a student enrolls on or after the first day of class, tuition is prorated based on the start date in the month. Before the 15th of any month, 100% of the tuition is charged. On the 15th of any month and thereafter, 50% proration of the month will be charged. Payment is due after submittal of Financial Agreement. Students are not able to attend class until payment is received.

Delinquent Accounts: At 5 days past due, Jupiter Grades/Homeschool Reporting access will be turned off until the account has been made current. At 30 days past due, student(s) cannot attend classes until account has been made current. A family with any tuition, courses or electives not paid after 40 days will be subject to dismissal. Student records will be held until the delinquent account is paid. All accounts must be current at the beginning of each semester for the student to continue enrollment and Jupiter Grades/Homeschool Reporting access granted.

If you find you have an unexpected financial situation that may cause you to make a late payment or requires financial consideration, please contact the Business Office to discuss possible options. We cannot help if we are unaware of the situation; therefore, we ask parents to let us know of any issues immediately so we can work together on a solution.

Withdrawals: Parents are responsible for all tuition, fees, supplies, and other charges due for the entire school year even if the student(s) is withdrawn, suspended, or dismissed either voluntarily or involuntarily. For example: if you have signed up to pay the monthly tuition payment plan and you withdraw your child on October 15th, you would still be responsible to pay the remaining months of tuition, fees, supplies and other charges incurred, even though your child has been withdrawn. Any request for withdrawal will be subject to a Withdrawal Fee.

Forgiveness of Money Due: This Financial Agreement contains the entire agreement of the parties hereto. All alterations, changes, modifications, or amendments to this Financial Agreement must be set forth in writing and shall only be effective upon approval of the Board of Directors or the party to be bound. Any Family requesting any change in the terms of this Financial Agreement prior to the expiration of the academic year must complete the appropriate form(s) as a formal request for modification in writing. Application for any modification is subject to approval of CCA's Board of Directors in its sole discretion.

Scholarships: Scholarships are available to Hybrid and Connections families only and are available for both merit and financial need assistance.

Vacation, Holiday, Illness: Credits are not available for vacations, holidays, illnesses, or emergency closure.

In the event of a default in financial obligations set forth in this agreement, parents agree that CCA has the right of enforcement and collection to resolve the default. The default may be resolved through the process of collections or through Mediation and is at the sole discretion of the CCA Board of Directors. Any costs associated with mediation would be the responsibility of the parents.
